We have 35 course instructors who have impressive qualifications and credentials.

## **Inspirations**

Reviewer Groff Conklin noted that while "The Elder Gods" was "actually not among the best of Campbell's work", the title story, original to the collection, was "a brilliantly circumstantial narrative [and] "first-rate stuff". A crime against humanity must be committed as part of a widespread or systematic attack upon a civilian population; there is no such requirement for a war crime.
