Such an indescribable peace flooded his soul that he couldn't keep from talking about the Lord. No icky side effects that you can get from other burners. The trick to the crunchiness is not putting the popcorn in until the oil is hot enough to pop it. I was enjoying this book pretty thoroughly, and then I got to the end of Chapter Six, in which Chen both affirms the belief that vaccines cause childhood autism, and writes about Temple Grandin in a completely non-critical way, with no mention of their career as a designer of slaughterhouse technology. Fold-outs, if any, are not part of the book.
