Gulf Kaleidoscope: Reflections on the Iranian Challenge

A rich gamut of colours, including yellow and rose gold watch cases, takes inspiration from the constantly changing light of the sun and the moon, from the first glows of dawn to the vibrant shades of dusk, to accompany and inspire a woman every moment of her life, whatever the occasion and wherever she may be. The old and still dominant thought is, as to cause, that a crime is caused by the inscrutable moral free will of the human being, doing or not doing the crime, just as it pleases; absolutely free in advance, at any moment of time, to choose or not to choose the criminal act, and therefore in itself the sole and ultimate cause of crime.

Survival Instinct (Survival Series Book 1)

I picked up a trashy sci-fi novel in my teens and immediately encountered a confusing story full of alien languages and weird words, with unappealing characters and an empty, lacklustre world.
