The Vicar of Wakefield by Oliver Goldsmith : with classic drawing picture (Illustrated)

In these days of anthropological and sociological research, it is possible to do this without great difficulty; and if I left it undone, our story of the development of religion at Rome would be mutilated at the beginning. However, Hegelian aestheticians, who unlike Hegel were primarily concerned with art, were confronted with the difficult task of proving that, in the context of this Hegelian Weltanschauung, art as a sensory medium was still of primary importance to the further development of mankind.
