The role of Logos might therefore have been even more important for Vischer than for other idealists as it referred to the symbolic spheres of Christian belief while also stressing the requirement of representational quality for the tangible, earthly manifestations of the Spirit. It will take place at the historic venue of The Castle, Durham.

Isthatachievable. One very widely held view, for example, is that the information processing that goes on in the brain depends on the presence of mental representations, and that cognitive processes are, in some sense, computational processes.
